Five filters before we recommend anything.

TURN2Digital

The Greenlight

The Edge

A real, proprietary advantage. No me-too.

The Backbone

Cloud-native, real APIs, built to connect.

The Shield

Compliance for your industry.

The Fit

SMB economics, sized for 10–250 people.

The Door

Reciprocal value: they bring reach, we open regions.

Greenlit

Only what passes all five.

TURN2Digital

Technology-agnostic. Never technology-indifferent.
