1. Assess

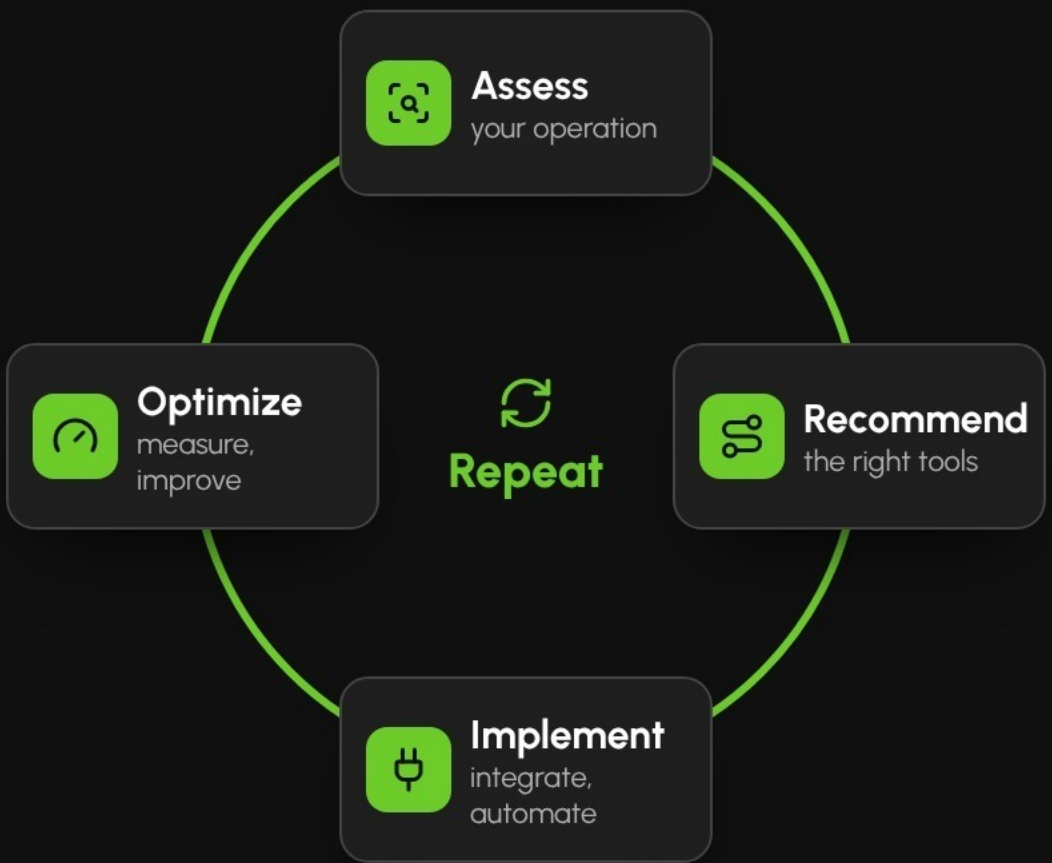

Assessment first. Tool second.

2. Tool

TURN2Digital

The T2D process

No platform by default. **Not even the ones we sell.**

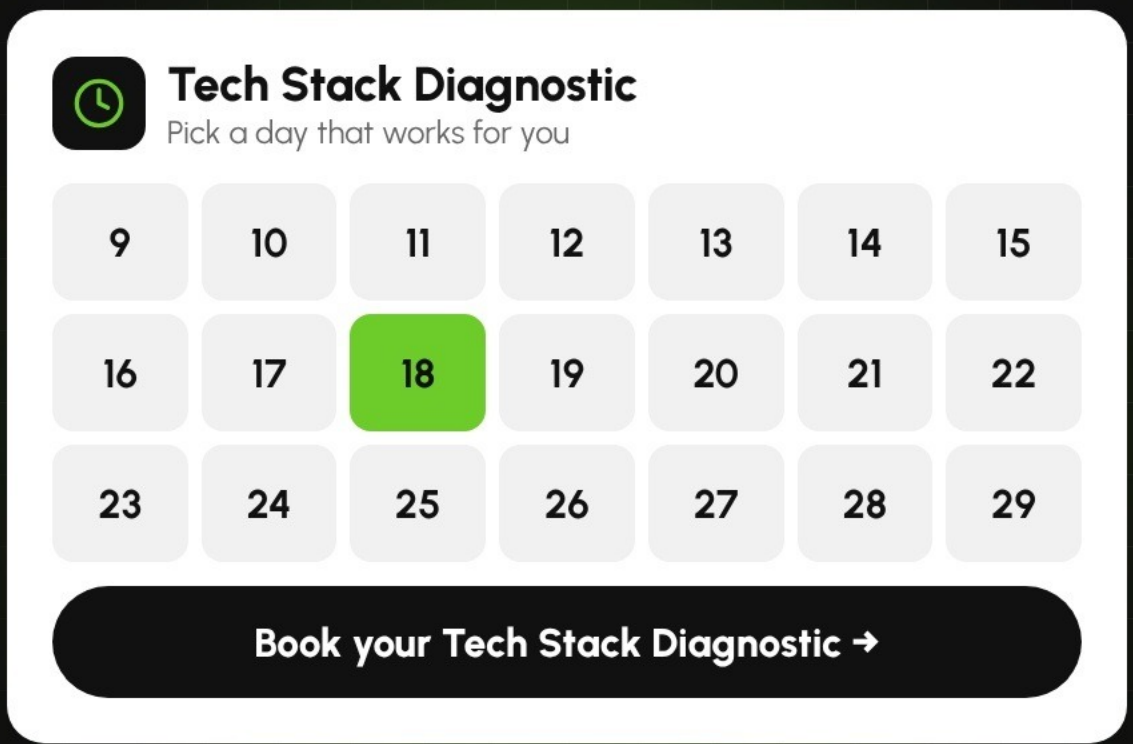

TURN2Digital

Start with the problem, not the tool.

Tool first	Assessment first
✕ "You need a new ERP"	✓ What breaks and where
✕ Months of migration	✓ What you already have
✕ Same problems, new screen	✓ The fix that fits

TURN2Digital

You bring the business challenge.
We build the ecosystem.
