Seven signs your company runs on duct tape.

Count how many sound familiar.

TURN2Digital

Count how many sound familiar

1. The same data, typed twice
2. Excel is the real system
3. Approvals live in email
4. Month-end takes days

TURN2Digital

And three more

1. Two tools, same job
2. One person knows how it works
3. Nobody trusts the numbers

Three or more?
It's not your team.
It's your stack.
