The math of typing it again.

TURN2Digital

An illustrative week

5

people re-typing the same data

6 h

each, every week

52

weeks a year

TURN2Digital

1,560

hours a year spent copying, not deciding.

Illustrative example: 5 people × 6 hours × 52 weeks.

TURN2Digital

That is almost a full-time salary spent moving data around.
