103

SaaS apps a company runs as it grows.

Source: BetterCloud, via Spendesk, 2026

Growth adds tools. It rarely adds connections.

What gets bought	What nobody buys
A CRM for sales	The link between them
A board for projects	One source of truth
A chat for customers	Someone who owns it

TURN2Digital

More tools is not the problem.

Tools that don't agree is.

TURN2Digital

Make your tools agree on reality.
